SIR

I have the honour to state that for electoral purposes the old divisions of the City are still the recognised units although owing to their greatly varying size and lack of compactness some of them are quite unsuitable When this subject together with the proposal of constituting "Single Member Wards" was placed before the Municipal Council at their meeting held on the 20th March 1926 the Council did not accept the formation of single member wards but appointed a Sub-Committee for re-arranging the boundaries of the existing mohallas so as to secure greater compactness of the same and suggesting consequential re-distribution if any of the seats allotted to the said mohallas The report (copy enclosed) of the Sub Committee received in the matter has been approved by the Council in their Resolution No 43 dated 28th August 1926 (copy enclosed for reference)

I request that the approval of Government may kindly be obtained and communicated for reconstituting the Mohallas as suggested by the Sub Committee

A City map showing in different shades of colours the existing boundaries and the changes proposed is herein enclosed

I have the honour to be
Sir,
your most obedient servant
